

WIN EurAsia - Istanbul, Turkey

05 - 08 June 2014, Hall 6, booth A155

From June 5th to 8th CALDAN exhibit at the WIN EurAsia 2014, in Tüyap Fair Convention & Congress Centre in Istanbul, Turkey. The range of exhibits here vary from systems for wet painting, powder coating and application technology to automation and conveyor technology. WIN EurAsia offers surface treatment solutions to job coaters, in-house painting companies and various other industries from Turkey, the Balkans, Central Asia, the Middle East and North Africa. In attending the exhibition CALDAN responds to the increasing demand in the region. In the recent years we have installed several systems here, and future projects are already in the pipeline. The CALDAN booth

(#A155) will be attended by our sales manager Mr. Thomas Meyer (see contact details on page 2).

We look forward to welcoming you!
