

**NEWS****CALDAN @ S&C EXPO 2023**

From 29 June to 1 July, CALDAN exhibits at the 4th edition of the Surface & Coating Expo in Chennai, India. The exhibition, first held in 2014, is the flagship event of the Confederation of Indian Industry (CII).

Over the years, it has grown to become India's largest event focusing on surface engineering, coatings, finishing, corrosion protection and logistics technologies – including conveyor technology. Approximately 15,000 visitors are expected to

attend the show with an exhibition area of around 10,000 sqm. 300 international exhibitors from China, Denmark, France, Italy, Germany, Japan, South Korea, Turkey and USA will showcase the latest product news and state-of-the-art equipment & services for handling and finishing in the surface treatment industry.

This will be CALDAN's second time exhibiting innovations in overhead and floor conveyors at Surface & Coating Expo, and as the last time was in 2020, we are very excited to be back!

*Our team of international conveyor specialists will be ready for you in Chennai. We are looking forward to your visit!*

**TEAM UPDATE - INDIA:**

Two new colleagues have joined our team in Pune. On April 1, Mr. Gajanan Darade (picture - left) joined CALDAN India as Sales Engineer. He is a Mechanical Engineer by profession and has over 12 years of experience in Sales & Proposal Engineering. On July 3, 2023, Mr. Aman Singh Yadav will join CALDAN India as Sales Support Manager. Aman is a Mechanical Engineer by profession and comes with over 6 years of experience in Proposal & Engineering Design.
